

Keep It Simple

Holiday Workshop

Need an easy, eco-friendly gift idea?

EcoSuperior is offering free “Keep It Simple” presentations to demonstrate the affects of personal care products and household cleaning products on human and environmental health.

The interactive session examines the safety of cleaning & personal care products and offers hands-on tools for making safer choices.

Waverly Public Library Auditorium

Tuesday, December 5, 2017

6:30-7:00 p.m. Presentation

7:15-8:00 p.m. DIY Projects

No registration necessary

We bring all the materials and recipes to make your very own all natural lemon facial scrub. Plus we can help you wrap it with 100% recyclable materials!
