

# ECO-DRIVER

## COMMUNITY WORKSHOP

Transportation accounts for 25% of Canada's greenhouse gas emissions. This program is designed to educate drivers on techniques that will reduce their greenhouse gas emissions, and save them money.

This workshop is a **complimentary** online asynchronous program viewed through our YouTube channel. Suitable for groups or individuals who want to learn more about how they can reduce their transportation carbon footprint.

This program is funded by the City of Thunder Bay. Access the online presentation for **FREE** by contacting us at [rethinkingwaste@ecosuperior.org](mailto:rethinkingwaste@ecosuperior.org) for the link!
